## Meet Our Guests and Your Host

### **Erin Marlow ☆ Creator of It's a Fandom Thing and Your Host**

Erin had been dreaming of starting a podcast for years and went through several ideas before landing on It's a Fandom Thing. Erin's goal in creating the podcast was to create a safe space where women and female-identifying individuals could find a safe place to freely express their love and critique the pop culture and fandoms they love. Since starting the podcast in 2019, Erin's goals have extended beyond just her initial ones. She now hopes that It's a Fandom Thing can be a safe space for all of those who feel like outsiders in the fandom and pop culture world.

Carla Temis is the co-host of Bed Wed or Behead Podcast and a frequent panelist on It's A Fandom Thing Podcast. As a fan of good stories, she has earned a degree in Binge Watching from Netflix University and a degree in Advanced Audiobooking from Libby College. ## Jenn ☆ My Streaming Bubble

Hi, I'm Jenn and I'm the host of the podcast, My Streaming Bubble, where I talk about the shows I loooove with the people I tolerate. I also co-host the podcast Twin It to Win It, where Erin, from It's a Fandom Thing, and I test our twinningness by guessing how we feel about different horror movies. But when I'm not watching TV or talking with people who watch TV, I do the mom thing for 2 boys, the wife thing for The Hubby, and the librarian thing for the library. I also enjoy baking, listening to audiobooks, and providing the lap for our cat Sergeant Snuggles' naps (he may be the family pet, but he's my cat). Want to know more? Then be sure to download an episode or 6 of each, and Keep Streaming!

## Bex ☆ Big Rep Podcast

Ever judge a person, and it turns out you didn't have the whole story? Ever learn there was a lot more to that story than you first realized? Big Reputations is a podcast where Kimberly and Rebecca discuss the reputations of women that we as society have judged too harshly. They take the time to separate the little lies from the Big Reputations.

### Tiff ☆ It's a Fandom Thing Panelist

I get my obsession from sci-fi honestly: my dad is a huge Trekkie and passed it down to me. From a young age, my desire to read any and everything, to absorb all of the things, made me appreciate writing, theater, film, and television. Fandom wasn't really a part of my personal zeitgeist until *The Mindy Project* came along. Chatting it up on the daily with my fellow Mindians made me know there were others who held the same love of pop culture.

Erin's podcast baby, let me dork out about my passion for all things Lord of the Rings. It's also shared some of the best topical discussions with the brightest minds out there. Being a frequent panelist brings me so much joy and allows me to share that joy with others.

So this is me. A Trekkie, a LOTR obsessive, a book nerd, and a musical jammer. Take me as I am, or don't take me at all. 😊

### Erin A. ☆ It's a Fandom Thing

Erin works behind the scenes at the pod, and you can sometimes hear her as a panelist on episodes. Her top fandoms are Doctor Who, Supernatural, Wynonna Earp, Star Wars, and just about anything sci-fi. Most evenings she can be found in her craft studio working on sewing or embroidery. She's an aspiring textile artist, lazy cosplayer, and convention nerd.
